

Final Assignment

Newsroom Portfolio Website

Task 01: Header Implementation

1. Use the **OOTB Header Component**.
2. Ensure the navigation menu includes the following pages:
 - Home
 - News
 - About Me
 - Contact
3. Implement a **drop-down menu** under "Books" where "News" should be listed.
4. Apply proper styling to maintain a visually appealing and consistent header.
5. Ensure the header is used at the **template level**, so it appears on all pages.

```
• home
• news
  • news1
  • news2
  • news3
  • news4
  • news5
• about-me
• contact-me
```

Task 02: Footer Implementation

The footer should include the following sections:

- **About Me** – A brief description of the journalist.
- **Contact Me** – Details to connect with the author.
- **Latest 5 News Articles** – List the five most recent news articles as hyperlinks that open in a new tab.
- **Social Media Links** – Links to social media profiles of the journalist.

About Me

Passionate journalist covering global news, politics, and investigative stories.

Latest News

[news](#)

Follow Me

[Twitter](#) | [LinkedIn](#) | [Instagram](#)

The footer should also be **implemented at the template level**, ensuring it is displayed across all pages.

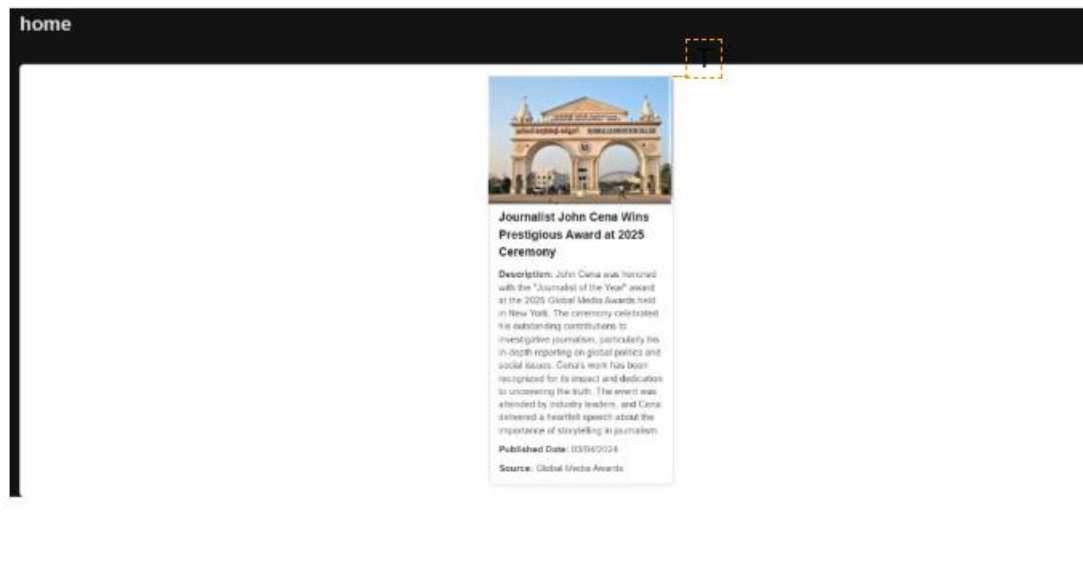

Task 03: Home Page Implementation

1. Use the **OOTB Teaser Component** to display an award ceremony for a journalist.
2. Author the teaser component with:
 - **Image** ○ **Title** ○ **Short Description**
 - **Call-To-Action (CTA)** linking to a dedicated page where the full award-related news is displayed.

The screenshot shows the configuration interface for the OOTB Teaser Component. It includes the following fields and options:

- Title:** A text input field containing "Journalist John Cena Wins Prestigious Award at 2025 Ceremony".
- Description:** A text area containing "John Cena was honored with the 'Journalist of the Year' award at the 2025 Global Media Awards held in New York. The ceremony celebrated his outstanding contributions to investigative journalism, particularly his in-depth reporting on global politics and social issues. Cena's work has been recognized for its impact and dedication to uncovering the truth. The event".
- Image:** A preview of an image showing a large, ornate archway. Below the preview are buttons for "Edit", "Clear", and "Pick". Below these buttons is a prompt: "Drop an asset here or [browse](#) for a file to upload."
- Published Date:** A date input field showing "03/04/2024".
- Buttons:** "Cancel" and "Done" buttons at the bottom right.

Task 04: News Page Implementation

1. Create a NewsRoom Component:

- This component should fetch and display news articles stored under /content/news.

2. Create the News Page:

- Author it as the parent page where the NewsRoom component will be placed.

3. News Articles:

- Create individual news article pages under /content/news.
- Each news article page should be authored with:
 - **Title**
 - **Image**
 - **Text**
- Ensure the NewsRoom component retrieves and displays each news article as a card, with:
 - **Unique Title**

- **News Detail**
- **Image**

Task 05: About Me Page Implementation

1. Use the **Journalist Component** to provide information about the journalist.
2. Do not use any other components on this page.
3. Ensure the content is structured properly to present the journalist's background effectively.

The image shows a web form for creating a journalist profile. At the top left is the 'Journalist' logo. The form has several sections: a 'Name' field with 'John Cena' entered; a 'Profile Image' section showing a yellow graphic with 'DIGITAL MARKETING' in the center and icons for various digital marketing tools (SEO, Social Media, Email, etc.), with 'Edit', 'Clear', and 'Pick' buttons below it; a 'Bio' text area containing the text 'I am a passionate journalist with a decade of experience covering global news, politics, and culture. I specialize in investigative reporting and have a keen interest in storytelling that impacts lives.'; and an 'Experience (e.g., 10 years)' field with '10 years' entered. At the bottom right are 'Cancel' and 'Done' buttons.

Task 06: Contact Me Page Implementation

1. Use either the **Text Component** or the **Teaser Component** to display contact details.
2. Include:
 - **Email or phone number** for direct communication.
 - **Links to social media profiles**, allowing users to follow the journalist.

Template Usage

- **Home Page** – Use the **OOTB Content Page Template**.
 - **Books Page** – Use the **Book Page Template** (provided as part of the assignment).
 - **Ensure the Header and Footer are implemented at the template level**, so they appear consistently across all pages.
-
